

Welcome to 56 West Smithfield

Directly from the vineyards to your glass

56 West Smithfield was founded by a family of winemakers with a passion for creating unique, hand-crafted wines.

Our family vineyard, Château De La Cômbe, is a small, boutique vineyard in Provence, specialising in organic, low-intervention wines.

Eager to share our wonderful wines with the world, we partnered with wineries that share our ethos and opened 56 West Smithfield - a cosy bar & shop where you can enjoy brilliant wines at fair prices.

Our wine list is small but refined, with each wine chosen specifically for its unique character and wonderful flavour profile. When we're not busy during the winemaking season, we regularly visit small wineries all over the world in search of exceptional wines to bring to you at 56WS.

As our own importers, we're able to offer customers great wines at fair prices, with just a £5 corkage fee on bottles enjoyed at our bar and lounge.

Whether you decide to grab a glass in the bar, sink into one of our big, comfy sofas with a bottle in the lounge, or join us for a wine tasting in our traditional tasting room, we're sure your first visit won't be your last.
